Thérèse: The Story of a Soul is a face-to-face encounter with Saint Thérèse of Lisieux, the most beloved saint of modern times. In this one-woman performance, Thérèse speaks directly to the audience, with humor, grace and humility. This is not the saccharine story of the "Little Flower," but an honest, loving portrait of a real girl who struggled with anxieties, but overcame these obstacles by trusting in God. Thérèse's honest, direct spirituality speaks powerfully to our busy culture, with the encouraging message that anyone can become a saint.
