

A PROVEN SOLUTION ... PRAYER AND 40 DAYS FOR LIFE

If my people, who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then will I hear from heaven and will forgive their sin and will heal their land.

— 2 Chronicles 7:14

This is a promise from God and this is exactly how *40 Days for Life* began. Four Christians in College Station, TX realized they were not making the impact on abortion that was needed so they gathered for an hour of prayer seeking God's answer. The result of that prayer was *40 Days for Life*, a 40 day campaign of prayer and fasting, peaceful vigil and community outreach.

The results speak for themselves:

The results speak for themselves:

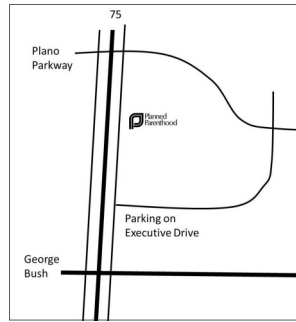

- 675,000 participants
- 3,895 total campaigns
- 607 cities
- 32 countries
- 11,165 lives saved
- 127 workers quit
- 64 abortion facilities closed

One campaign in 2011 outside a Planned Parenthood in Sherman, TX resulted in the manager, Ramona Treviño, quitting her job and the facility closing. A note on their door told everyone to go to their next closest facility in McKinney, TX. Following 4 years of 40 Days for Life Campaigns in McKinney, in 2015, Planned Parenthood closed this location as well and sent clients to Plano. Immediately we started praying outside their doors.

WHAT TO EXPECT AT THE VIGIL...

The Vigil is the most visible witness of the 40 Days for Life Campaign. We will have unbroken prayer every day for 40 days from February 10th through March 20th round the clock for an end to abortion. This 40 day vigil will be conducted in the right of way outside the Plano Planned Parenthood at 600 N Central Expy, 75074 **Warning: to avoid being towed do not park or enter the business strip or parking lot where Planned Parenthood or the Atrium is located.** Park on Executive Dr. For a map with appropriate parking labeled visit parking.prolifeplano.org

There will be a box with resources, a clipboard and vigil signs. Sign in on the sign in sheet on the clipboard. On your first visit sign a statement of peace (found inside the clipboard). Then find a spot anywhere in the grassy right of way and pray! Feel free to hold a vigil sign as an extra way of witnessing to the community. In the resource box we have various prayer books and aids. There is information on healing after an abortion, local pregnancy resource centers and more.

If possible, please sign up in advance, even if you have a changing schedule and do not know until 1 hour before arrival.

PRAY TO END ABORTION

THE PROBLEM ... ABORTION AND PLANNED PARENTHOOD

Over 9,000 abortions are performed on Collin and Dallas County Residents each year. That's equivalent to loosing more than an average kindergarten class every day.

The worldwide abortion total has been estimated at a staggering 42 million - every year.

However, it's not only children who are

affected.

- Millions of women are wounded by abortion, - some physically, many more emotionally and spiritually
- Fathers who have lost children to abortion have been shoved to the sidelines, abandoned to lives of regret.

Planned Parenthood is the nation's largest abortion vendor, but they NEVER advertise this fact. Instead they tell young people about contraception sales and STD screenings to promote a positive image. Yet, Planned Parenthood preys off young girls in crisis, locating near high schools and college campuses, telling them abortion is their only real option in their moment of despair.

COMPONENTS OF A 40 DAYS FOR LIFE CAMPAIGN...

40 Days for Life requires lots of prayer, work, and sacrifice, but the campaign is actually quite simple with three basic components:

1. Prayer and Fasting

Prayer is at the center of *40 Days for Life*. During the campaign, we are calling on prayer warriors to fall on their knees before the Lord, asking Him to hear our plea and heal our land. Pray outside Planned Parenthood. Pray at church. Pray at work. Pray in the car. Pray at home with your family. Pray!

People of faith are also invited to fast throughout *40 Days for Life*.

Christ said there are demons that can only be driven out by prayer and fasting (Mk 9:28-29). A fast is a powerful means of drawing closer to God by blocking out distractions. Fast from food. Fast from television. Fast from excess time in front of a computer. Fast from apathy and indifference. Fast from whatever it is that separates you from God.

When God's people fast with a broken, repentant, and contrite spirit, our heavenly Father will hear and heal our lives, our churches, our communities, our nation, and our world.

2. Peaceful Vigil

The visible, public centerpiece of *40 Days for Life* is a 40-day, prayer vigil outside Planned Parenthood. This round the clock peaceful and educational presence sends a powerful message to the community about the tragic reality of abortion.

3. Community Outreach

40 Days for Life seeks to take the pro-life message to every corner of our community through: Church involvement, meeting with local pastors, church leaders, and members of different congregations, media outreach, table displays, wristbands, yard signs, bumper stickers and much more!
