The Justice Foundation issued the below press release yesterday. This will be the first secular city-wide airing of our TV special "Beyond the Dark Valley." Join us in prayer that God will use this tool to reach women and men suffering in silence due to the pain of abortion.

I will keep you updated on the progress of "Beyond the Dark Valley."

Very truly yours,

Allan Parker

As the city where Roe v. Wade was originally filed, Dallas has been selected as the first city in America for a mass showing of a special documentary about the effects of abortion on women and men. This documentary will air repeatedly around the 36th anniversary of Roe v. Wade.

"Beyond the Dark Valley" was co-produced by The Justice Foundation and Fresh Air Media. Fresh Air Media produced Billy Graham's television specials for many years and, most recently, the Saddleback Civil Forum on the Presidency. "Beyond the Dark Valley" educates viewers about the devastating effects of abortion. Viewers who have experienced the pain of abortion will be referred for spiritual hope and healing in the Dallas metroplex through the toll-free National Helpline for Abortion Recovery (866-482-LIFE). Working with the National Helpline, "Beyond the Dark Valley" also offers help for women who are in unexpected pregnancies by referring them to pregnancy care centers in their area.

"Beyond the Dark Valley" will air five times during January 2009, around the 36th anniversary of Roe v. Wade, on Dallas ABC network affiliate station WFAA Channel 8. The Justice Foundation has purchased the airtime.

Air times are as follows:

Saturday, January 17th	12:40 a.m.
Sunday, January 18th	11:30 a.m.
Tuesday, January 20th	1:30 a.m.
Friday, January 23rd	1:10 a.m.
Saturday, January 31st	4:30 p.m.

In addition to sharing their painful stories of abortion, women and men will be sharing how they found hope, healing, and forgiveness for abortion through Jesus Christ.

Starting today, "Beyond the Dark Valley" can be previewed worldwide on the web at www.beyondthedarkvalley.org.

Free copies of "Beyond the Dark Valley" are also available from The Justice Foundation for private showings or viewings in churches or community groups. Contact Queta Aguilar at 210-614-7157 or by email at info@txjf.org for your copy of "Beyond the Dark Valley."

Operation Outcry is a project of The Justice Foundation that seeks to end legalized abortion through the gathering of legally admissible testimonies of women and men harmed by abortion. The Justice Foundation is a non-profit, 501(c)(3) organization and all contributions are tax-deductible as allowed by law, less the value of goods or services received.
