Why Have a Walk?

19 Years of "Walking the Walk"

With Life literally hanging in the balance, the Walk for Life is your opportunity to fight back! Abortion advocates are emboldened in their war on the unborn

and continue to fight to push their sexual chaos in our schools and culture. The government is enriching the enemies of life, while we depend on your help to be able to fight for women and babies.

When you "Walk the Walk", you are partnering with Texans for Life by:

- taking aim at the heart of abortion as we reach thousands of teenagers with our life-saving message of abstinence;
- promoting Life through record-setting rallies, speeches, workshops, newsletters and the web—alerting and educating churches, pastors, college students and grassroots activists to protect women and babies;
- effectively advocating for laws that protect women and children from abortion, like the Sonogram bill, as well as laws that promote abstinence for our young people; and
- sharing our resources with pregnancy assistance centers and other pro-life ministries.

.....
Tear off this form, fill out the other side and mail it to Texans for Life, or turn it in at your church.
