A volunteer or employee is not considered "cleared" by CPLC until the Safe Environment Director has completed a review of the documentation, conducted the references and the Criminal Background Check. The Safe Environment Director will send an email to the Ministry Director and volunteer/employee when this process is complete. A volunteer/employee should not start until their verification email is received.

For more information and/or question, please contact pvasquez@prolifedallas.org or call 972-267-5433
