

More than just a name...

The Catholic Pro-Life Committee helps:

- ◆ Support women who have chosen life with spiritual and material help
 - ◆ Bring hope and healing to post-abortive women and men
- ◆ Educate adults and youth on the teachings of the Church and the duties of every individual to build a culture of life
- ◆ Inform and inspire the Spanish-speaking community on pro-life issues
- ◆ Involve Catholics around the diocese in local pro-life activities and events
 - ◆ Offer pregnant women alternatives to abortion on the “front lines” outside the abortion centers
 - ◆ Invite the pro-life community opportunities to gather in prayer for life through events and services

You can help, too.
