Why have a walk?

26 Years of "Walking the Walk"

With Life hanging in the balance, the Walk for Life is your opportunity to fight back! Abortion advocates are emboldened in their war on the unborn and continue

to fight to push their sexual chaos in our schools and culture. We depend on your help to be able to fight for women and babies.

When you "Walk the Walk," you are partnering with Texans for Life by:

- taking aim at the heart of abortion as we reach thousands of teenagers with our life-saving message of abstinence;
- promoting Life through record-setting rallies, speeches, workshops, newsletters and the web—alerting and educating churches, pastors, college students and grassroots activists to protect women and babies;
- Effectively advocating for education that changes hearts and enables life-saving legislation, like the Sonogram Bill and HB 2, that together have helped save over 50,000 babies in just four years; and reforms to the Texas Advance Directives Act like the bill passed last session protecting food and water for critically ill patients.

.....
Tear off this form, fill out the other side and mail it to Texans for Life, or turn it in at your church.
