

WHY DAYS FOR LIFE? WHY US?

Abortion claims 42 million lives annually around the world¹, 1.21 million in the United States, and 110,000 abortions per year in Texas³ alone. Abortion pits mother against child and destroys the lives of all involved as well as deteriorating the family and society.

40 days for life is a local solution that brings together the body of Christ in a spirit of unity during a focused 40 day campaign of prayer, fasting, and peaceful activism, with the purpose of repentance, to seek God's favor to turn hearts and minds from a culture of death to a culture of life, thus bringing an end to abortion.

One of the strengths of 40 Days for Life is its simplicity. The campaign is made up of three key components:

Prayer and fasting: inviting people of faith throughout our city and across the country to join together for 40 days of fervent prayer and fasting for an end to abortion

Peaceful Vigil: standing for life through a 40-day peaceful public witness outside the McKinney Planned Parenthood

Community Outreach: taking a positive, upbeat pro-life message to every corner of our city through media efforts, church and school outreach, petition drives, and public visibility

Between 2004 and 2011, some 422 cities in ten nations have conducted 40 Days for Life campaigns with measurable, lifesaving results. 5,045 children have been saved from abortion — and those are just the ones we know about.

In Sherman, Texas a 40 Days for Life campaign was conducted during the spring of 2011. During that 40 Days for Life prayers were answered when the manager of the Sherman Planned Parenthood quit her job and now actively campaigns for an end to abortion. Prayers were further answered when the Planned Parenthood abortion referral clinic was closed that summer.
