

DIOCESE OF DALLAS

Office of the Bishop

October 1, 2008

My Brothers and Sisters in Christ,

Nurturing a Culture of Life in our community is of the utmost importance. That is why I wholeheartedly endorse the presentations offered by the Catholic Pro-Life Committee of North Texas (CPLC).

The Catholic Pro-Life Committee is the Respect Life Ministry of the Diocese of Dallas. Its education programs, offered for youth and for adults, instill a profound respect for human life from conception to natural death, empowering our youth and adults with the knowledge necessary to face critical issues of our day and counter the culture of death that is saturating our society. They are also critical in assisting our youth with support and encouragement in leading a chaste lifestyle.

As Bishop of Dallas, it is a top priority for me that human life be nurtured, protected, and defended in our Diocese. Working together to build a new culture of life, I urge you to call the CPLC today and schedule one of their life-affirming presentations for your school or organization.

Faithfully in Christ,

Most Reverend Kevin J. Farrell, D.D.
Bishop of Dallas
