in Calvary Hill Cemetery for the

37th Annual Gravesite Memorial & Blessing of Families with Bishop Greg Kelly

On Sunday, May 30th at 2:30, please join us at Calvary Hill Cemetery for a memorial service and blessing with Bishop Kelly, the auxiliary bishop of Dallas, to remember the aborted children buried there, to bless families, and to pray for an end to the scourge of abortion.

Dallas is home to one of the largest gravesites for aborted babies in the US with around 2,000 innocents interred at this grave.

Everyone is encouraged to **bring flowers for the gravesite**, which is located at the eastern (Webb Chapel) edge of the cemetery before the bridge.
