

## **EXERCISE FAITHFUL CITIZENSHIP AND MAKE A PRO-LIFE DIFFERENCE – ATTEND YOUR CONVENTIONS**

You can help elect like-minded delegates and alternates to the higher assemblies – people who voice a strong commitment to the sanctity of life and promote pro-life resolutions.

And you can propose pro-life resolutions which, if passed, will be considered and implanted in the party's platform and, if approved, eventually reach the party's national platform committee.

All you have to do is show up and submit your resolution at your Precinct Convention. You can draft your own and/or use the below examples as a guide.

### **Sample Resolutions:**

#### **Include Pro-Life Actions in Platform**

WHEREAS, The sanctity of human life is of primary importance to our Nation and should be to all humans; and

WHEREAS, The federal government for over two decades has denied the sanctity of life by court decision, congressional law, and executive order in violation of the constitutional affirmation of the inalienable right to life; Now, therefore,

BE IT RESOLVED, That we as Delegates to the Precinct/Senate/State Convention of the Republican/Democrat Party of Texas, call on the Republican/Democrat Party of Texas to maintain a strong pro-life platform and the Republican/Democratic Party and all other national parties to adopt a strong pro-life platform.

#### **Ban Human Cloning**

As Delegates to the Precinct/Senate/State Convention of the Republican/Democrat Party of Texas, we urge the Republican/Democrat Party of Texas and its candidates seeking election and its elected officials to be committed to pass legislation totally banning any and all attempts to clone human beings in our country.

#### **Ban Embryonic Stem Cell Research / Support Adult Stem Cell Research**

We, as Delegates to the Precinct/Senate/State Convention of the Republican/Democrat Party of Texas, resolve that the Republican/Democrat Party of Texas and its candidates seeking election and its elected officials should be committed to pass a complete ban on human embryonic stem cell research, and continue to direct its efforts and funding of adult stem cell research, where we have proven cases of success in these efforts.

#### **Ban the Use of Aborted Babies in Fetal Tissue Experiments**

We, as Delegates to the Precinct/Senate/State Convention of the Republican/Democrat Party of Texas, resolve that the Republican/Democrat Party of Texas and its candidates seeking election and its elected officials should be committed to pass legislation banning research on fetal tissue obtained from induced abortions.

### **Resolution Against Planned Parenthood**

Whereas, Planned Parenthood is the nation's leading abortion performer and promoter, We urge all federal, state, and local elected officials and other community leaders to oppose any public funding for Planned Parenthood, its activities in our schools and communities, and the expansion of its facilities in our neighborhoods.

### **Precinct Convention Location**

Due to numerous redistricting changes, Precinct Conventions will be held at the Senate Conventions. In Dallas County the Senate Conventions will be held this weekend.

What is my Senate District? <http://www.dalcoelections.org/voters.asp>
