ATTEND OUR PRO-LIFE
TRAINING TO LEARN HOW
TO MAKE A DIFFERENCE!

"This was the most brilliantly helpful conference I've ever attended.

Camille Pauley is an outstanding teacher." — Academy Graduate

Life Principles Academy is perfect for anyone who wants to share the pro-life message with family, friends, students, and others—using **logic, compassion, and unassailable truth.** Give us five hours, and we'll change the way you talk about LIFE!

- Find out why "photographs, facts, and figures" are not enough.
- Learn how to teach the critical thinking skills necessary for pro-life conversion.
- Discover the ten universal principles that can be applied to virtually any social issue.
