

Will you come and pray with Me for one hour?

Matthew 26:40

Our most powerful weapon for life is

PRAYER

Thanks to prayer coupled with compassionate counseling in 2017,
over 450 pregnant women
left the abortion facility still pregnant and NEVER RETURNED.

**Without prayer support, babies are lost.
Without prayer support, mothers are harmed.**

Please help us to extend our reach by adopting one of the following weekly hours for prayer support outside Southwestern abortion facility at 8616 Greenville in Dallas:
