

Sponsorship Opportunities

Youth for Life Pro-Life Boot Camp

Pro-Life Boot Camp is a unique opportunity for teens to be fully immersed in the Pro-Life movement. We provide education as well as real, boots on the ground, experiences to train teens to be TODAY's Pro-Life leaders. This year, we are expanding our program. Not only will we hold our 20th Overnight High School Boot Camp, but we are also adding a Day Camp for Middle Schoolers!

In order to provide this experience to as many students as possible, our registration fees do not cover all of the costs we incur. In your generosity, we ask you to please discern sponsoring one (or more) of the following items to help us make this year's camp the best yet!
