

# *Stand With Women*

## *Fight for Life*

Last week, Planned Parenthood and others pushed pro-abortion activists to the Texas Capitol to thwart groundbreaking legislation to protect the health and safety of women. Ignoring request to stop their unruly behavior, the activists drowned out a vote by the democratically elected Senate to overwhelmingly approve Senate Bill 5 by a 19-10 margin.

Now Governor Perry has called another special session to finish the work we elected our Senators to do: protect the life and safety of Texas women and the unborn. And Planned Parenthood and others are gearing up again.

Now is the time for Catholics from across Texas to stand up for the lives of the unborn in Texas. In the coming weeks, the Texas Catholic Network will host rallies at the state Capitol to show our support for passing pro-life legislation.
