WHY HAVE A WALK?

21 Years of "Walking the Walk"

With Life hanging in the balance, the Walk for Life is your opportunity to fight back! Abortion advocates are emboldened in their war on the unborn and continue to fight

to push their sexual chaos in our schools and culture. The government is enriching the enemies of life, while we depend on your help to be able to fight for women and babies.

When you "Walk the Walk", you are partnering with Texans for Life by:

- taking aim at the heart of abortion as we reach thousands of teenagers with our life-saving message of abstinence;
- promoting Life through record-setting rallies, speeches, workshops, newsletters and the web—alerting and educating churches, pastors, college students and grassroots activists to protect women and babies;
- effectively advocating for laws that protect women and children from abortion, like the Sonogram bill, as well as laws that promote abstinence for our young people; and
- sharing our resources with pregnancy assistance centers and other pro-life ministries.

.....
Tear off this form, fill out the other side and mail it to Texans for Life, or turn it in at your church.

36 Years of Fighting for the Right of Every Baby to Have a Birthday

On the Cover

Howdy yall! This lil' Texan here represents the next generation of Texans for Life. Yeah, we start 'em young. Who else is going to fight for the rights of babies to ensure laws like the Sonogram Law are implemented and remain strong? Our lil' sister organization, Texans for Life Committee was the official sponsor of the Sonogram Law and is seein' to it that all mamas goin for abortion will see that that's no peanut in their belly! That's a Baby! An they'll be able to hear the lil' heartbeat too. Well, with the Dr. describing what they're seein and all....How could they have the heart to end that little life? I sure hope to see yall at the Texans for Life Walk for Life! It's gonna be a real whoop and a holler! We've got lots to celebrate...Yall come on out! It'll be good to see ya!

A newborn baby is lying on a dark, textured surface, possibly a blanket. The baby is wearing a light-colored, wide-brimmed cowboy hat and dark denim jeans with a visible button. The baby's eyes are closed, and they appear to be sleeping. The overall tone of the image is somber and poignant, with a focus on the baby's vulnerability.
