## Comments From Past Pro-Life Boot Camp Participants

I was neutral and now I'm pro-life.  
16-year-old male

This weekend has been one of the best things of  
my summer. The friendly people, amazing  
speakers, good food, and fun activities make this  
camp great for any person, pro-life or not. (They  
will change their minds.)

14-year-old female

It was fun and it helped grow my faith a  
little stronger and made me realize more  
on why I am **PRO-LIFE!**

15-year-old male

I liked praying at the abortion mill because I felt  
like we were facing the problem in a real-life way  
and not just sitting around talking about it.

15-year-old female

The experience in itself is AWESOME and the  
presence of Our Lord is truly felt! Praise God.
