Comments From Past Pro-Life Boot Camp Participants

I was neutral and now I'm pro-life.
16-year-old male

This weekend has been one of the best things of my summer. The friendly people, amazing speakers, good food, and fun activities make this camp great for any person, pro-life or not. (They will change their minds.)

14-year-old female

*It was fun and it helped grow my faith a little stronger and made me realize more on why I am **PRO-LIFE!***
15-year-old male

I liked praying at the abortion mill because I felt like we were facing the problem in a real-life way and not just sitting around talking about it.
15-year-old female

The experience in itself is AWESOME and the presence of Our Lord is truly felt! Praise God.
