The Bishop's 10th Annual Catholic Respect Life Gala

Please join Bishop Michael F. Olson on Saturday, September 27,
at the OMNI Hotel in Fort Worth.

Parish participation played a big role in last year's best-ever event and we need your help again to exceed expectations.

Here's how you can help:

- Leadership of men's and women's organizations, ministry organizations and parent groups: please consider hosting a table and spreading the word through newsletters and emails.
- We need sponsors! If you have contacts in business, please invite them to sponsor portions of the event or purchase a full color ad in our program.
- Get your friends together and buy a table.

Remember, proceeds from this event strengthen the hearts of our youth, provide caring outreach to women in crisis pregnancy and help heal the hearts of those who have suffered after abortion.

Last year's attendees
told us the event was
"The Best Ever!"

Bishop Olson is
a recognized
champion of life
and is considered
an expert on the
full spectrum of life.
