THE PILL KILLS MARRIAGE

National Seminar and Nationwide Witness

On June 7, 1965, the U.S. Supreme Court decriminalized the use of “the pill.” The physical, psychological, and emotional damage that women suffer because of the pill have devastated the institution of marriage, leading to soaring divorce rates.

KEYNOTE SPEAKER

Father Daniel McCaffrey

Internationally renowned speaker on *Humanae Vitae*, Director of NFP Outreach, and contributing author to *A Preachable Message: The Dynamics of Natural Family Planning*.

Deacon Rick and Jenny Condon, “Life and Love in the 21st Century”

Rita Diller, National Director of Stop Planned Parenthood International

Karen Garnett, Executive Director, Catholic Pro-Life Committee of North Texas

WHAT OTHERS ARE SAYING

“The Church was not opposed to our joy, our freedom, but actually guarantees our joy and freedom.... I’ve never been to a mission where Father McCaffrey doesn’t get a standing ovation.”

—Sally, Savannah, GA in *National Catholic Register*
