Bexar County has the third highest rate of sentencing people to death in Texas, yet this does not appear to reflect local community values. The Religious Leaders Dialogue on the Death Penalty at Trinity University’s Laurie Auditorium on October 24 at 7:00pm is an unprecedented interfaith event for San Antonio. Moderated by

Karen Clifton of the Catholic Mobilizing Network, the evening brings together seven of San Antonio’s religious leaders to explore perspectives on the death penalty in a city with deep religious roots. The program will also include questions from the audience.
