

Thank you, Michael & JoAnn Murray!

Thank you, Michael Murray, for inspiring us with your humor, cheer and inspiration as past leader of the St. Mark Knights of Columbus Council 6065 Pro-Life program and faithful speaker for the Catholic Pro-Life Community Speakers Bureau. From organizing helpers at St. Mark for the annual Lone Rose Sunday collection that raised funds and baby goods for local pregnancy resource centers, to recruiting prayer warriors to stand outside the local abortion clinics, to challenging the youth to be as pure and virtuous as God intended them to be, ***you did it all, and always with an inviting smile.*** Thank you, Mike! We love you!
~ Randy Le Grand

Michael Murray is a principle-centered Catholic whom we all aspire to be like. His priorities in life are his Faith, his family, golf (of course) and speaking to our youth on the realities and evils of abortion. ***Despite physical setbacks, Mike never stopped pursuing his passion for helping to protect God's unborn souls.*** He also helped his wife JoAnn with her set-up at the Christ Child Luncheon, and as needed was an altar server for funerals at St. Mark's. Thank you, Mike, for being a brother Knight and showing us how to follow the Holy Spirit in life.

For all you have done to support Pro-Life through the years

.....

Pro-Life People in the Diocese of Dallas and beyond, whether they know it or not, owe a great amount of appreciation to JoAnn Murray. JoAnn stepped up as Pro-Life Coordinator "temporarily." After 15 years serving in the role, she accomplished much. She hosted other Parish coordinators for support and training meetings, organized buses to go to Austin to lobby the Legislature, worked to provide the opportunities for many teens to attend both Pro-Life Boot Camp and the National March for Life and much more. ***All that she has done and continues to do exemplifies her graciousness, her faith, her prudence, and her loyalty.*** Join us in thanking God for her commitment to Pro -Life, for her gifts and for the support she has received from her husband Mike. Thank you, JoAnn & Mike! ~ Elizabeth Muzyka

JoAnn, the impact you have made over the years serving as St. Mark's Pro-Life coordinator is profound. Your energy and enthusiasm has inspired many to action. I have been so amazed by all the things you've done not just for our parish but for the entire diocese. ***The Christ Child Luncheon wouldn't exist nor would it be the celebration of life it is today without you.*** You work tirelessly behind the scenes. And I'm so grateful to have had your counsel. I pray for that wisdom to be a foundation for me moving forward. Thank you for everything you have done!
